MUSD Financial Audit Earns Highest Rating; Demonstrates Fiscal Accountability

On Tuesday January 14, the Milpitas Unified School District Board of Trustees will receive its annual audit report for the school district budget, Measure E and Measure AA General Obligation Bond Programs.

Superintendent Jordan states, "The unmodified findings will indicate our continued commitment to MUSD taxpayers, strategic partners and trusted vendors. My gratitude to Wendy Zhang, her team, and the other business units for their diligence and continued use of best practices."

Zhang, MUSD's Assistant Superintendent of Business Services, added: "Staff is proud to share that the audit summary findings demonstrate that we have good internal controls and procedures in place, and all expenditures are in compliance with state and federal regulations. Both Bond Measures, AA (2018) and E (2012), have clean reports under the financial audit with all expenditures in accordance with the bond statements."
