RE: Asbestos Surveillance and Re-Inspection Notification

In compliance with the provisions of the Asbestos Hazard Emergency Response Act (AHERA), Milpitas Unified School District is required to issue notification to the users of its facilities with respect to the surveillance and maintenance program of all identified asbestos containing building materials (ACBM) in all District facilities.

The School District continues to institute an asbestos maintenance and re-inspection program to ensure that the areas where asbestos containing materials are identified remains in non-hazardous condition.

The District maintains an AHERA Management Plan for all District facilities. This document is on file at the District's Department of Maintenance, Operations and Transportation Services. If you wish to review this document, you may do so by contacting the Maintenance, Operations and Transportation Department at 408-635-2888 to arrange for an appointment.

The Milpitas Unified School District is committed to maintain a safe, hazard-free environment for its school community. We will continue to keep you informed on ongoing asbestos surveillance and maintenance program.

Sincerely,

Brian Shreve

Director- Maintenance, Operations and Transportation
