Welcome to Milpitas Unified School District’s Parent Portal. Aeries Internet Parent Portal allows parents to quickly access information about their student and allows parents to make changes to student information online.

Once your school’s site staff creates your student’s record in Aeries (our student information system) you should receive an email from us.

Please use the links in the email to navigate to the MUSD Parent/Student login page.

Once there please enter your Username/Email address from the emailed notification and click “Next”.
